## Building Permit Fees Waived—Help Us Finish the Roof!

The Wisconsin Clerks Education Fund (WCEF) has “waived the building permit fee” for all clerks wishing to install a commemorative shingle on the red school house roof. Help us reach our goal of completing the front side of the roof before presentation at the 2014 Conference in Rothschild in August.

A donation of \$25 includes a shingle. Get one for yourself, your municipality, or in memory or recognition of someone special to you. What better way to thank a fellow clerk or mentor for their support this year and in the past; welcome a new member to your district or recognize a specific WMCA committee or chairperson.

No matter how much you are able to give, your tax-deductible donation helps grow our Wisconsin Clerk Education Fund. Scholarships are given out for clerks to attend our annual educational conference and helps us to continue to be :

‘Your Professional Link to Excellence.’
