

WCEF Silent Auction

Who doesn't like the opportunity to do a little shopping and help a good cause?

As most WMCA members are aware, there is a Silent Auction at each annual conference. All funds from the Silent Auction are allocated to the Wisconsin Clerks Education Fund (WCEF). WCEF then uses the funds to award scholarships for vital educational opportunities for clerks. The educational opportunities include the Northern Training Days and the WMCA Annual Conference.

The WCEF Committee has chosen a theme and developed a "competition" among the eight districts again for this year's Silent Auction.

WCEF Committee member Barb Van Clake is making a baseball plaque for each District. District

members are then asked to donate a basket filled with items that represent the plaque and their district. If you need some direction on this, please contact me at gisser@combinedlocks.org

Other auction items are needed, too. Please consider donating items that have a \$25 or higher value that are appealing to men and women. Some ideas from previous auctions are: lawn ornaments, wine baskets, beer baskets, artwork, jewelry, camping gear, sporting event ticket packages, unusual ties, and sports memorabilia. Bidding at the Silent Auction occurs Wednesday through Thursday at 3:15 pm at the Annual Conference. If you have the winning bid, your item can be picked up at 5:00 pm on Thursday. Please consider bringing a donation to the Silent Auction.

If you know what you're bringing, fill out the form below and mail it to the WMCA office as soon as possible. This allows time for bidding cards to be made before the conference. However, we will accept donated auction items at the Conference, too.

We're bringing the shopping to you, but of course it's all for naught if attendees don't shop and bid! Bid on items created or chosen by your fellow clerks. Start your Christmas shopping early, find a unique birthday gift, or ha! ha! - find an item to re-gift at next year's auction. The success of the Silent Auction rests with YOU and scholarships come back to YOU and your fellow CLERKS. Help us make 2017 a record-setting year for scholarship funds!
